Private Water Label Proof and Logo Consent

The following will serve as an approval for any private water label created for you by our graphics department. Please take the time to verify there are no spelling, typing, graphic, or content errors. Please make your sales representative aware of any errors you may find, and they will be corrected.

After receiving this signed approval, we will not be held responsible for any errors found.

This document will also serve as permission to use any logo or image given to our graphics department by you for use of making and distributing your private label bottled water.
